PVCU Bi-Fold

imagine

'Imagine' single or double doors are the ideal complement to any flush fitting window due to their flush fitting sashes.

To achieve the flush external match, the doors must open out. The double doors have no floating mullion and so offer slimmer sightlines.

Std frame 1810/2450mm

Std frame / Low Ali threshold 1797/2437mm

Std frame / Room divider 1782/2422mm

Key:

These doors do not have a single prime door. Two leaves need to be operated together - No external handle available

Sashes are manufactured 60mm wider than adjoining sashes to allow them to operate correctly

L Indicates cranked lever/lever handle with euro cylinder

T Indicates internal intermediate handle

M Indicates magnet
