

'Choices' Timber Vertical Sliders

Vertical Sliding Sash Window

'Choices' Sliding sash windows are traditional looking box design vertical sliding windows with double hung sliding sashes.

The double glazed sashes slide by means of modern pre-tensioned springs on either side.

Vertical Sliding Window Curved Top

'Choices' Sliding sash windows are traditional looking box design vertical sliding windows with double hung sliding sashes.

The double glazed sashes slide by means of modern pre-tensioned springs on either side.

Cords and Weights

'Choices' Cords and Weights sliding sash windows are windows still using traditional technology.

The sashes slide by means of cords, pulleys and weights. These windows are in demand for 'listed' buildings where traditional manufacture and single glazing is specified.

'Choices' Timber Vertical Sliders

'Choices' Vertical Sliding Sash windows

Employed extensively since the seventeenth century, sliding sash windows can still add charm to any building old or new.
