

RESIDENCE 

THE COMPLETE DOOR SOLUTION

R₉ R₇ R² RD

WINDOWS & DOORS
THE WAY THEY'RE
MEANT TO BE™

Your Perfect Door Solution

The Residence Collection offers a complete range of door solutions; available in a wide range of styles, our stylish door systems are suitable for both open-in and open-out applications.

There is a door solution per system; R7, R9 or R². Whether you want to match your windows perfectly or choose an alternative to distinguish your door differently, they all suite together perfectly.

Find out more about our Engineered Doors; no more compromising on standard composite door sizes, make a door that fits the property perfectly.

Your Home, Your Way

Create an individual design statement for any home. Add Georgian bar for a more period look or let lots of natural light in by adding sidelights to your French doors, our doors are versatile without complication.

Purposefully designed for a wide range of properties from modern new builds to city apartments and country cottages to semi-detached houses, they will be a welcome addition to any home.

Engineered Doors

Residence Doors Redefined

High quality, energy efficient and secure doors can be created by using our dedicated door sashes (either open-in or open-out), the sash mullion and one of our glazing beads; glaze in a 28mm or 44mm panel along with 28mm or 44mm glass. There are so many variations, design your own, here's a few to get you started...

*Double and Triple Glazed
Options in 28mm and 44mm.
Choose from Decorative,
Square & Staff glazing beads.*

*Choose from 28mm or 44mm
panels to glaze in to make
the Engineered Door in any
variation.*

**Superior
Glazing
Options**

**28mm or
44mm Panel
Options**

**Two
Dedicated
Door Sashes**

**Sash
Mullion
R001SM**

*6 Chamber Door Sashes for
optimised thermal
performance with dedicated
steel reinforcements for large
sizes; open-in and open-out.*

*The Sash Mullion can be used to fabricate
an Engineered door, as well as allowing you
to have the appearance of two individual
sashes if maximum glass area is required.*

The Rudford Engineered Door in No.10 Black

Open-out Flush Doors

Dedicated Flush Door Sash

Perfectly designed to be just that; a flush door sash. For that perfect timber alternative design. Choose from working or dummy butt hinges and a wide range of locks and handles.

Doors The Way They're Meant To Be

Add Georgian Bar or use the Sash Mullion to give the illusion of multiple sashes; maybe add a panel into the bottom of the door or add sidelights for maximum light into a room.

Mechanical or Welded Options

A mechanical joint block has been designed for specific use with this door sash for the ultimate alternative to timber. Also compatible with Graf, Standard Mitre, MechWeld, ETL and Timberweld[®].

Maximum Performance

The dedicated steel reinforcement chamber ensures optimum security and larger sizes, along with a triple seal gasket option.

Open-out Flush Door Sash

In keeping with the design of the windows and compatible with all frame options, the dedicated flush door sash has a steel reinforcement chamber for larger sizes.

28mm or 44mm Bead Options

Personalise the internal aesthetic with a choice of three bead styles; Decorative, Square & Staff.

Deep Timber Look Cill

Compatible with Radlington Cill. Profile add-on available.

Triple Gasket Seal Option

Fitting doors in an exposed area? No problem, with a superbly designed triple seal option that can be used when required.

Open-In Doors

Dedicated Open-in Door Sash

To ensure the Residence Collection is available to use in multiple applications, the purposefully designed open-in door sash suites perfectly with its window and door counterparts.

Doors The Way They're Meant To Be

Use the matching glazing bead to ensure window and door sight-lines work harmoniously together. The perfect solution for a Juliet balcony or for use with our Engineered Door options for an open-in entrance door.

Manufacturing Options

Fully compatible with Graf, Standard Mitre, MechWeld, ETL and Timberweld[®].

Maximum Performance

The dedicated steel reinforcement chamber ensures optimum security and larger sizes, along with a triple seal gasket option.

Personalise the internal aesthetic to suite with any of the Residence Collection window systems by choosing the same bead option. With a choice of three bead styles; Decorative, Square & Staff.

If all 4 sides use R² frame only. If using a low threshold (compatible with StormGuard Low threshold) any frame can be used.

28mm or 44mm Bead Options

Frame & Low Threshold Options

External view of R² Frame & Open-in Door Sash

Internal view next to R7 windows with 28mm Square Bead

Open-in Door Sash

Triple Gasket Seal Option

In keeping with the design of the windows the dedicated open-in door sash has a steel reinforcement chamber for larger sizes.

Fitting doors in an exposed area? No problem, with a superbly designed triple seal option that can be used when required.

The Complete Collection

Residence 9

It only takes 7 seconds to form a first impression, meaning that first impressions really do count. Being the first to pioneer timber alternative; Residence 9 is the traditionally modern window & door system. Beautiful traditional timber aesthetics in a modern PVC-U material. 100mm frame | 9 chambers

R9

RESIDENCE 9

Residence 7

Fresh design and performance. For those wanting an authentic flush look, but wish to take advantage of a contemporary window and door system. Flush external and flush internal, it's unique aesthetic ensures suitability for both modern and traditional homes. 75mm frame | 7 chambers

R7

RESIDENCE 7

Residence 2

The cool, sleek lines of the Squared frame are a minimalist's dream. R² is a truly unique window and door system. Its ground-breaking design means that it carries exquisite styling and features that are usually found on aluminium and composite systems, now in PVC-U. 100mm frame | 9 chambers

R²

RESIDENCE 2

Residence Doors

Why compromise beauty for functionality? The range of doors available through the Residence Collection ensures there's a door for all applications. With two dedicated door sashes; open-out flush and open-in, along with complementary profiles for Engineered Doors. Doors, the way they're meant to be.
